**STATE OF DELAWARE  
The Civil Union and Equality Act of 2011  
Effective January 1, 2012**

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to Chapter 2 of Title 13 of the Delaware Code or the State of Delaware website at [www.delaware.gov/CivilUnions](http://www.delaware.gov/CivilUnions).

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family abuse.

**STATE OF ILLINOIS  
The Religious Freedom Protection and Civil Union Act  
Effective June 1, 2011**

In accordance with Illinois law, insurers are required to provide the following notice to applicants of insurance policies issued in Illinois.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

## BENEFITS

**Life Insurance Benefit:** *When is the Life Insurance Benefit payable?*

If You or Your Dependents die while covered under The Policy, We will pay the deceased person's Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

**Accelerated Benefit:** *What is the benefit? This benefit is not available for Retirees.*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 60;

We will pay the Accelerated Benefit amount as shown below, provided We receive proof of such Terminal Illness.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$20,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$16,000 to be paid now instead of to

Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$13,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will also meet the definition of Disabled for Waiver of Premium.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
  - 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;
- You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an Assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

**Terminal Illness or Terminally Ill** means a life expectancy of 12 months or less.

**Proof of Terminal Illness and Examinations:** *Must proof of Terminal Illness be submitted?*

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

**No Longer Terminally Ill:** *What happens to my coverage if I am no longer Terminally Ill?*

If You are diagnosed by a Physician as no longer Terminally Ill and:

- 1) return to an Eligible Class, coverage will remain in force, provided premium is paid;
  - 2) do not return to an Eligible Class, but You continue to meet the definition of Disabled, coverage will remain in force, subject to the Waiver of Premium provision; or
  - 3) are not in an Eligible Class, but You do not continue to meet the definition of Disabled, coverage will end and You may be eligible to exercise the Conversion Right, if You do so within the time limits described in such provision.
- In any event, the amount of coverage will be reduced by the Accelerated Benefit paid.

**Conversion Right:** *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, You and Your Dependents may have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for:

**SUMMARY OF THE MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT  
AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS**

Residents of Montana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Montana Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who reside in Montana and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

**IMPORTANT DISCLAIMER**

**The Montana Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Montana. You should not rely on coverage by the Montana Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.**

**COVERAGE IS NOT PROVIDED BY THE MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION FOR YOUR POLICY OR CONTRACT OR ANY PORTION OF IT UNDER WHICH THE RISK IS BORNE BY YOU, THE POLICYHOLDER.**

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance policy.

**SUMMARY**

The state law that provides for this safety-net coverage is called the Montana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Coverage. Generally, individuals will be protected by the Montana Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

(please turn to next page)

**SUMMARY (Continued)**

Exclusions From Coverage. Persons holding such policies or contracts are **not** protected by this Association if:

- they are not residents of the State of Montana, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Montana at the time the policy or contract was issued.

The Association also does **not** provide coverage for:

- persons holding policies issued by a nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- any policies or contracts or any part of the policies or contracts under which the risk is borne by the policyholder;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- any unallocated annuity contract issued to an employee benefit plan that is protected under the Federal Pension Benefit Guaranty Corporation; and
- any portion of any unallocated annuity contract that is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a governmental lottery.

Limits on Amount of Coverage. The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Furthermore, the amounts the Association is authorized to pay are limited.

Allocated Contracts. For any one life insured, the Association will pay a maximum of \$300,000--no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits--again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage.

Unallocated Contracts. With respect to each individual participating in a governmental retirement plan established under sections 401, 403(b), or 457 of the Internal Revenue Code and covered by an unallocated annuity contract or with respect to the beneficiaries of each individual, if deceased, the Association will pay, in the aggregate, \$100,000 in present value annuity benefits, including surrender and withdrawal values. With respect to any one contract holder covered by any unallocated annuity contract not included in the prior sentence, the Association will pay up to \$5 million in benefits, irrespective of the number of contracts held by that contract holder.

## **STATEMENT OF ERISA RIGHTS**

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

### **1. Receive Information About Your Plan and Benefits**

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **2. Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **3. Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **4. Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

## **CLAIM PROCEDURES**

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy.

### **Claim Procedures for Claims Requiring a Determination of Disability**

## Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Plan, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary, 4) a description of the review procedures and time limits applicable to such procedures, 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal; and 6) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the denial, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the denial and that a copy will be provided free of charge to you upon request, or (B) if denial is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the determination, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request.

## Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, we will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a statement that you have the right to bring a civil action under section 502(a) of ERISA, 4) a statement that you may request, free of charge, copies of all documents, records, and other information relevant to your claim; 5) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision on appeal, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the decision on appeal and that a copy will be provided free of charge to you upon request, or (B) if the decision on appeal is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the decision on appeal, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request, and 6) any other notice(s), statement(s) or information required by applicable law.

#### **Claims for Benefits**

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

#### **Appealing Denials of Claims for Benefits**

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and

other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
